APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is granted subject to all prior rights. The water must be used so as not to interfere with the prior irrigation rights. The water must be returned to the stream after use in the shortest practicable route. Tailings, Cyanide or other deleterious matter must not be discharged into the natural stream.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed one tenth cubic feet per second.

Actual construction work shall begin on or before November 5th. 1912.

Proof of commencement of work shall be filed before December 5th. 1912.

Work must be prosecuted with reasonable diligence and be completed on or before December 5th. 1912.

Application of water to beneficial use shall be made on or before May 5th. 1913.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before June 5th. 1913.

WITNESS MY HAND AND SEAL this 5th. day of October, 1912.

Proof of labor filed NOV 26 1912

Proof of beneficial use filed AUG 10 1914
